PERMANENT
PEOPLES TRIBUNAL

Session on the Violations with Impunity
of the Human Rights of Migrant
and Refugee Peoples
Berlin Hearing | 23-25 Oct 2020

Have you experienced **exclusion or discrimination regarding your right to health** in Germany (or within the EU Border control)? If **yes**, become a witness for our tribunal.

[This can also been done anonymously!](#)

- **As individuals you can directly give a testimony about your experienced Human Rights Violations.**
- **If you know someone who has experienced injustices in the context of flight, migration and health, ask if she*he would like to testify at the tribunal.**

Who we are

We, an **alliance of activists, human rights and health organisations**, are collecting testimonies of **migrants and refugees** who have experienced **human rights violations in the context of health**. Witnesses can present them, online or in person, in the context of a **Permanent Peoples Tribunal** that will take place in **Berlin**.
